

SOUTH CAROLINA AGRITOURISM

FARM HIKES REGISTRATION

Who doesn't like getting outdoors to take a nice stroll or go for a run? Why not expand opportunities for the public to enjoy the sights and sounds on farms across the state? Have you thought of opening your farm to the public to walk on trails around the farm? Are you doing this already? We are starting a Farm Hikes program in South Carolina!

The public will be invited to walk on trails along farms throughout the state. All you need is a trail map and a safe and welcoming environment for visitors! If you are interested, please fill out this registration form and return to Jackie Moore.
